The Epworth Foundation EASTER 2020

FROM THE FOUNDATION DIRECTOR

Entering 2020 on the wings of a successful 2019 gave me much to smile about, as this Term 1 picture shows. Yet more wonderful donors leant in these past 12 -18 months to support talented and deserving young women of worth with an Epworth High School education, gifting these girls with an inalienable 'passport to possibility'.

By the end of Term 1 – **our world changed.**

A pandemic has swept across the globe and now, as I write, humanity is rocked to its core.

Many times in my life, as a past Epworth girl, I have drawn strength for challenges from Epworth's magnificent motto and certain strong hymn lines to bring guidance and peace.

As we look to an uncertain future, our FAITH (Fida) reminds us GOD is with us through this; HUMANA (Compassion) keeps our hearts and hopes interconnected in spite of our pain and fear, and FORTIS (Courage) asks us simply to show up and be counted, wherever and however we can.

'Strength for today and bright hope for tomorrow' (Hymn: Great is Thy Faithfulness) even as 'Earth's proud empires pass away' (Hymn: The Day Thou gavest, Lord is ended) are indeed our present context. Through it all though, I firmly believe

- ~ we will listen better as we move through this time
- ~ we will learn as we are forced to search deeper, and
- ~ we will give more of our time, treasure and talent to the things in life that truly matter.

I wish you all Easter Blessings and much gratitude from the Foundation,

Ingrid Roberts (nee Bredenkamp/1980)
